SERVICE

In addition to our middle school students completing 20 hours of community service throughout the year, the entire school worked together to support hurricane and wildfire relief, through TAG (out-of-uniform) fundraising days plus providing Thanksgiving groceries and Christmas gifts to support families in need through our parish Human Concerns ministry! To celebrate the feast day of **Our Lady of Lourdes**, each of our houses worked together to serve a local nonprofit.

Para celebrar la fiesta de **Nuestra Señora de Lourdes**, cada una de nuestras casas colaboró para servir a una organización local sin fines de lucro.

Lourdes took four teams to the Diocesan-wide **Battle of the Books** competition this spring. Our fourth grade team won third place overall, showing off their great love for reading. Sixth grader **Stephanie Peltier** represented us very well also at the **Diocesan Spelling Bee**.

Our **Amazing Shake** program was expanded this year to include both 6th and 7th graders, building their professional skills as leaders and role models. They learn and develop professional qualities – from the mechanics of a proper handshake to how to “work the room” – so that they are able to present themselves exceptionally well for opportunities today and in the future. Congratulations to **Cian Hall**, who was this year’s winner!

Lourdes llevó cuatro equipos a la competencia diocesana **Batalla de los Libros** esta primavera. Nuestro equipo de cuarto grado obtuvo el tercer lugar general, demostrando su gran pasión de leer. **Stephanie Peltier**, alumna de sexto grado, también nos representó muy bien en el **Concurso Diocesano de Ortografía**.

Nuestro programa **Amazing Shake** se amplió este año para incluir a alumnos de sexto y séptimo grado, quienes desarrollaron sus habilidades profesionales como líderes. Aprenden y desarrollan cualidades profesionales, desde la mecánica de un apretón de manos adecuado hasta cómo "conectar con la gente", para que puedan presentarse excepcionalmente bien ante las oportunidades actuales y futuras. ¡Felicitaciones a **Cian Hall**, ganador de este año!

RAISE CRAZE

This past winter, we held a very important two-week schoolwide service project, called Raise Craze, that offered students the opportunity to show just how much they love others through their kindness. Each day offered a different service activity, some of which benefitted their fellow students and others that served as outreach to the larger RVA community. In addition to school-planned projects, students were encouraged to find other ways to help others and show kindness outside of our school.

This year, students recorded over 700 acts of kindness during the event! Students truly took time to think about how they could brighten one another's world and be a catalyst for change. We are already looking forward to next year! Congratulations to **Avalee Powell** for being our biggest fundraiser and to **Michael Yin** for submitting the most Acts of Kindness!

El invierno pasado, llevamos a cabo un importante proyecto de servicio escolar de dos semanas de duración, llamado Raise Craze, que ofreció a los estudiantes la oportunidad de demostrar cuánto aman a los demás a través de su amabilidad. Cada día se ofreció una actividad de servicio diferente, algunas de las cuales beneficiaron a sus compañeros y otras sirvieron para conectar con la comunidad de RVA en general. Además de los proyectos planificados por la escuela, se animó a los estudiantes a encontrar otras maneras de ayudar a los demás y mostrar amabilidad afuera de la escuela.

¡Este año, los estudiantes registraron más de 700 actos de amabilidad durante el evento! Realmente se tomaron el tiempo para pensar en cómo podrían alegrar el mundo de los demás y ser un instrumento del cambio. ¡Ya estamos deseando que llegue el próximo año! ¡Felicitaciones a **Avalee Powell** por ser nuestra mayor recaudadora de fondos y a **Michael Yin** por enviar la mayor cantidad de actos de bondad!

"Contribuyan a las necesidades de los santos, practiquen la hospitalidad." - Romanos 12:13

BY THE NUMBERS EN NÚMEROS

As good stewards of the investment that families commit to their children’s education, we wish to share with you a brief overview of our finances. As you can see, our income is primarily funded by tuition and the aftercare program, and our investment in our teachers and staff accounts for by far the largest portion of our overall expenses. We strive to always make informed fiscal decisions by balancing the needs of the school with our family’s resources in order to provide the best possible education for our students.

Como buenos administradores de la inversión que las familias realizan en la educación de sus hijos, deseamos compartir con ustedes un breve resumen de nuestras finanzas. Como pueden ver, nuestros ingresos se financian principalmente con la matrícula y el programa de cuidado de niños después de la escuela, y la inversión en nuestros maestros y personales representa, la mayor parte de nuestros gastos generales. Nostros intentamos siempre decisiones financieras informadas, equilibrando las necesidades de la escuela con los recursos de nuestras familias para brindar la mejor educación posible a nuestros estudiantes.
